

I oppose the weakening of Indiana's no-call list. It has been so pleasant the last couple years since this law became effective. My feeling is that I don't want anyone to call me to sell me anything. My phone used to ring off of the hook, especially at dinnertime. Now I have peace and quiet. I do not want this law reduced to nothing. Please listen to the people and not the corporations who stand to gain by weakening or doing away with the law.
